Dear Co-Laborer,

Building

I hope this letter finds you well and serving in the work of the Lord; Knowing that your labor is not in vain. We have been praying for 17 years that the Lord would place us right in the heart of Camden, NJ. As you know, the first church the Lord allowed us to start, East Camden Baptist, started out on the East side of Camden, but ended on the border of East Camden and Pennsauken, when a building opened up for us there (Emmanuel Baptist). It really never settled in my heart as I wanted to be in the heart of east, north or south Camden. Although EBC became a self supporting work and a pillar in that community. Finally! Finally! Finally! After purchasing a building 3 years and 11 months ago and \$54,802.22 in fee, tax, attorney, roofing for building etc., we have our permits to start renovation on the building.

Ministry

Since our last newsletter we have seen 3 people make professions of faith and follow up, along with two others with believers baptism. In October, we had our mission month where we took on three more missionaries (PTL). Now we are getting ready for our toy drive for the children in Camden for Christmas.

Prayer

1. Finances and help on the building.
2. Souls to be saved.
3. Van to pick people up.

Sincerely,

Anthony Garris
