

March and April 2013

Dear Praying Partners,

In Esther 1:22, we read about a king that sent letters to all his provinces to every people after their language. If this earthly king thought his message was important enough that it needed to be in every language how much more should the message of our King be in every language for every people? I wish I knew how to sound the alarm in a greater way but as Abraham said in Luke 16:29, "They have Moses and the prophets, let them hear them." If we don't respond to the Bible there is nothing left to plead our case!

We are beginning to see the fruit of our World View Institute in India. We will be sending three of our students to serve for the next five years in Nepal working on Bible translation. Please continue to ask God to give us people willing to give their lives for translation work.

Praise the Lord over one thousand were saved in the evangelistic crusade in the five days of services in India. Thank you Brother Fielder, and those dear preachers that spent their time and money to make the trip. God is doing some great things in India! Thank you for all the prayer and financial support that you have given to this great opportunity that the Lord has brought before us!

We also want to thank you for praying for the different health issues that I have been facing. I have been told by the doctors that I have acid reflux and that is what caused my cough that I have had for the past two years. I have been doing what the doctors told me to do and the cough is almost gone and I now am able to sleep nights and we truly praise the Lord!

We want to thank so many of you who sent birthday cards. I hate to admit that I'm getting older but it never ceases to amaze me how quickly time passes by in this life. May each of us be faithful to live for the Lord with each moment of life that He gives to us.

His for the 10/40 Window,

Neal and Becky
